

March 17, 2011

To our shareholders and whom it may concern:

Daikyo Group

Our activity for the 2011 off Pacific coast of Tohoku Earthquake on March 11, 2011

We firstly wish to convey our deepest condolences for the victims of the 2011 off Pacific coast of Tohoku Earthquake.

On March 11, 2011, we immediately opened emergency headquarter at Sendagaya, Shibuya-ku, Tokyo. Some of staff have been already sent to Tohoku branch in order that they could support our activity in the area.

Their main mission is to confirm the safety of employees and residents of Daikyo's condominium, also inspect the damage condition of those buildings. Today, we announce the activities as follow:

1. Monetary donation

Daikyo group decided to pay for sum of 20 million yen as our donation to support victims through Central Community Chest of Japan.

2. The charity Activities

- (1) Daikyo group employee will raise funds of monetary donation and aid supplies for victims of earthquake .
- (2) During one month (March 11, 2011-April 12, 2011), 10 thousand yen from each contract that Daikyo make with clients who buying a new condominium unit will be paid to Central Community Chest of Japan.
- (3) During one month (March 11, 2011-April 12, 2011), Daikyo Realdo also donate one thousand yen in every brokerage contract made with clients through Central Community Chest of Japan.

3. Remediation activity

Just after disaster occurred, an executive vice president of Daikyo Astage immediately have been Sendai to undertake the commander of special task force. In addition, the technical and mechanical staff who could support the restoration activities have been dispatched.

Moreover, we arrange the aid supplies from Tokyo office.

Over 20 times of aid supplies by automobile from Tokyo to Sendai were actually done. We will continue these action still more., also expanding to Morioka and Koriyama region.

4. After the Investigation of existed condominium (mainly Daikyo Astage undertake the management) in disaster area.

At the present time, there seems to be no serious material damage related to collapse on the properties. We keep examining security verification. (approx. 250 condominiums in Tohoku region)

5. The investigation of New condominium under construction

There seems to be no serious material damage at the present time.

(Total 98 condominiums in nationwide including 1 condominium in Sendai, Miyagi and 1 condominium in Mito, Ibaraki)

6. The confirmation of the safety of employees

By March 15, 2011, we completed the confirmation of safety of all employees.
